CHARLES W. SABINE, Auditor.

DISTRICT NO. 1

The three terms in this district were in charge of Mrs. Susie B. Hurd. Mrs. Hurd is well known in this town as a successful teacher. Her usual success attended her efforts for the advancement and welfare of her pupils.

DISTRICT NO. 2

The spring term was taught by Miss Frances Dexter of Acworth, and it is to be regretted that she could not be retained among our teachers, as it was a profitable term. The fall and winter terms were in charge of Mrs. Minerva W. Leslie of Newport. Mrs. Leslie is a faithful teacher, and the closing exercises showed more than ordinary improvement.

DISTRICT NO. 4

The spring and fall terms were taught by Miss Florence M. Hooper. Both terms were successful and good progress was made. The winter term was taught by Miss Marion Edwards of Brookfield, Mass.

DISTRICT NO. 5

The spring term was taught by Miss Ethel C. Trow of Washington, and good work was done. The fall and winter terms were in charge of Miss Clara Mitchell. Although the school has one week longer, we can safely say they have been a success in every way.

GENERAL REMARKS

We take pleasure in again communicating to the people of Lempster that the schools are, as a whole, in a prosperous condition, that the school work has been carried on without serious hindrance, and the teachers, with one exception, have been successful.

The task of caring for and instructing children through a term of school is not light, and especially when we consider that they have been reared in different families, with a diversity of government, instruction and motive. As are our schools, so are our children; so is the forthcoming generation, the generation that is to hold the scepter of power in families, communities and the state.

Allow us to ask the parents to insist upon perfect obedience in school, and never criticise the teacher in the presence of the child. Comments upon their learning, or methods, the repetition and recital of the trivial incidents of the schoolroom and play grounds, should always be forbidden.

We have tried to be faithful to the trust committed to us and perform its duties to the best of our ability. We would tender our thanks for the kindness shown us and the interest manifested in the schools.

L MAY WHEELER,
EMMA T. WELCH.
